Identifying Struggling Students for Admins Quick Guide

Action	Video(s)	Articles and/or Guides
Identify students at risk by navigating to Other Reports – Updated. Pull a student activity summary report. **Recommended Frequency:** 2x per week **Course of Action:** Analyze last activity date, time in course, current grade, percent of gradable (assignments) complete, and on track to complete status. Create a list of students who are not on track to complete and/or whose overall grades are below passing and ensure that adequate support is provided.	Pulling & Analyzing a Student Activity Summary Report	• Student Activity Summary Report – Help Article • How to Pull a Student Activity Summary Report

For more information on how to access even more reports with student data for an even more in-depth view, review the Reports section of the Support Center of Pearson Connexus.
